

**CAREER ADVISOR'S
INDEPENDENT CAREER EXPLORATION OPPORTUNITIES
FIRST & SECOND SEMESTER 2009-2010**

Students interested in learning about career exploration opportunities should see Elk Grove High School's Career Advisor, Mrs. Brottman, in Student Services. Some opportunities occur during the school day (ie Career Treks, Speakers) and require both parent and teacher permission. However many opportunities occur after school, on the weekend or over the summer, and may require registration or an application. See Mrs. Brottman in Student Services, or see the District 214 website for required permission slips, registration forms or applications for these "independent" opportunities!

ASK ABOUT THESE INDEPENDENT OPPORTUNITIES FOR FALL:

Aviation Explorer Post #9 invites prospective Explorers to an *Open House* **Monday, September 19**, from 10am – 3pm. @ Chicago Executive Airport, 1100 S. Milwaukee in Wheeling (Signature Flight Service facility behind the control tower). Aviation Explorers meet twice monthly in their facility at Chicago Executive Airport. Aviation Explorers learn about careers through speakers and field trips to locations such as FAA towers and other installations, airport fire departments, maintenance and repair facilities, business jet charter services, and the like. Everyone ages 14 – 20 is welcome.
