

PARENTS & CAREERS

The “right” career is out there for everyone! Students need self-reflection and first-hand exposure to different careers in order to find the career that is “right” for them. Elk Grove High School’s Career Advisor, Mrs. Brottman helps students explore the world of careers by offering one on one counseling, career presentations within the classroom, and career focused field trips (also known as Career Treks).

Parents, EGHS is requesting the gift of your time! Please consider sharing your career path, your career experiences, and your educational background with EGHS students. You can help in one of two ways: 1) speak to students within a classroom setting here at EGHS regarding your career path and educational background, or 2) host a Career Trek (career-focused field trip) at your place of work.

Students at EGHS are interested in learning about these, and many other career areas. Do you work in any of these popular fields?

Parents, your shared career insight helps demonstrate connections between the academic experiences students have today and the skills required to be successful in the workplace tomorrow. Please use this tear-off section to express your interest in helping students learn more about your workplace, your career, and your personal career path. Complete and mail, email, or fax to Mrs. Brottman at the below address/fax #.
